

COVID travel guide for Albania

ENTRY REQUIREMENTS:

FOR CUSTOMERS TRAVELLING FROM THE UK	
<p>There are no specific entry requirements for Albania in relation to COVID. All travellers will therefore need to fulfil Exodus' COVID-Clear policy. Full details on this can be found here.</p>	
<p>Prior to your trip, you will need to either:</p>	
<ul style="list-style-type: none"> Be fully vaccinated against COVID-19 <p>OR</p> <ul style="list-style-type: none"> Receive a negative COVID test result before travelling 	<p>The total number of doses must have been given, as required by the vaccine manufacturer (in most cases this is two doses), with the last dose having been administered no less than two weeks prior to travel.</p> <p>Please send a PDF copy of your NHS COVID Pass for Travel to CustomerOps@exodus.co.uk, no less than 14 days before departure. For guidance on how to obtain this, please go here.</p> <p>If you are not fully vaccinated, please take a PCR test no more than 72 hours before departure. Please advise us of this and show the negative test result to your tour leader at the beginning of the trip.</p> <p>This must be a private test; information on COVID testing and private providers can be found here.</p>
