

COVID travel guide for Armenia

ENTRY REQUIREMENTS:

Please note that the below guide is for entry into Armenia only; if your trip includes travel to another country there may be additional or different requirements. Please refer to the relevant country guide for more details.

If further testing is required during your trip for entry into another country, this will be arranged by our local team and incorporated into your itinerary (testing at customer's expense).

FOR CUSTOMERS TRAVELLING FROM THE UK

There are no specific entry requirements for Armenia in relation to COVID. All travellers will therefore need to fulfil Exodus' COVID-Clear policy. Full details on this can be found [here](#).

Prior to your trip, you will need to either:

| | |
|--|---|
| <ul style="list-style-type: none"> • Be fully vaccinated against COVID-19 <p>OR</p> <ul style="list-style-type: none"> • Receive a negative COVID test result before travelling | <p>The total number of doses must have been given, as required by the vaccine manufacturer (in most cases this is two doses), with the last dose having been administered no less than two weeks prior to travel.</p> <p>Please send a PDF copy of your NHS COVID Pass for Travel to CustomerOps@exodus.co.uk, no less than 14 days before departure. For guidance on how to obtain this, please go here.</p> <p>If you are not fully vaccinated, please take a PCR test no more than 72 hours before departure. Please advise us of this and show the negative test result to your tour leader at the beginning of the trip.</p> <p>This must be a private test; information on COVID testing and private providers can be found here.</p> |
