

COVID travel guide for Namibia

ENTRY REQUIREMENTS:

Please note that the below guide is for entry into this country only; if your trip includes travel to another country there may be additional or different requirements. Please refer to the relevant country guide for more details.

If further testing is required during your trip for entry into another country, this will be arranged by our local team and incorporated into your itinerary (testing at customer's expense).

FOR CUSTOMERS TRAVELLING FROM THE UK

To enter Namibia you will need to show:

<ul style="list-style-type: none"> That you are fully vaccinated against COVID-19 <p>OR</p> <ul style="list-style-type: none"> That you have received a negative COVID-19 test <p>AND</p> <ul style="list-style-type: none"> That you have completed a health declaration form 	<p>The NHS COVID Pass for Travel is accepted to demonstrate your vaccination status, however you will require a printed and electronic copy; to find out how to obtain this please go here.</p> <p>You must present proof on arrival of a negative COVID-19 PCR test taken in the country of departure. The test result must not be older than 72 hours at the time of entry into Namibia.</p> <p>Free NHS tests are not accepted; please use a private testing provider. For more details on testing and private providers, please refer to this guide.</p> <p>The health declaration form can be completed here.</p>
---	--
