

COVID travel guide for Lesotho

ENTRY REQUIREMENTS:

Please note that the below guide is for entry into this country only; if your trip includes travel to another country there may be additional or different requirements. Please refer to the relevant country guide for more details.

If further testing is required during your trip for entry into another country, this will be arranged by our local team and incorporated into your itinerary (testing at customer's expense).

FOR CUSTOMERS TRAVELLING FROM THE UK

To enter Lesotho you will need to show:

- That you are fully vaccinated against COVID-19

OR

- Proof of a negative COVID-19 test result

The NHS COVID Pass for Travel is accepted to demonstrate your vaccination status; to find out how to obtain this please go [here](#).

This must be a PCR test result obtained within 72 hours of arrival at the border. This can be arranged locally but will be at your expense.

Before arrival you will need to:

- If applicable, obtain evidence of your test result

It is recommended that you carry a digital and paper copy of your negative PCR test with you.

Upon arrival you will be asked to:

- Show evidence that you are fully vaccinated

OR

- Show evidence of your negative COVID-19 PCR test

AND

- Undergo screening for COVID-19

You should ensure you can present the digital version, with the QR code, when you arrive.

It is recommended that you carry both an electronic and paper copy of your test result with you.

This is compulsory, regardless of your vaccination status.
