

COVID travel guide for Maldives

ENTRY REQUIREMENTS:

FOR CUSTOMERS TRAVELLING FROM THE UK

There are no specific entry requirements for Maldives in relation to COVID. All travellers will therefore need to fulfil Exodus' COVID-Clear policy. Full details on this can be found [here](#).

Please note that the below guide is for entry into this country only; if your trip includes travel to another country there may be additional or different requirements. Please refer to the relevant country guide for more details.

Prior to your trip, you will need to either:

<ul style="list-style-type: none"> Be fully vaccinated against COVID-19 <p>OR</p> <ul style="list-style-type: none"> Receive a negative COVID test result before travelling 	<p>The total number of doses must have been given, as required by the vaccine manufacturer (in most cases this is two doses), with the last dose having been administered no less than two weeks prior to travel.</p> <p>Please obtain a copy of your NHS COVID Pass for Travel and have this readily available during your trip. For guidance on how to obtain this, please go here.</p> <p>If you are not fully vaccinated, please take a COVID test no more than 72 hours before departure. This can be either a PCR or lateral flow test.</p> <p>This must be a private test; information on COVID testing and private providers can be found here.</p> <p>Checks may be made by our UK based team prior to travel, or during your trip by your tour leader. If you are unable to provide proof when requested on the trip, you will need to take a COVID test locally, at your own expense.</p>
