COVID travel guide for India

ENTRY REQUIREMENTS:

FOR CUSTOMERS TRAVELLING FROM THE UK	
To enter India you will need to show:	
• That you are fully vaccinated against COVID-19 **OR** • That you have received a negative COVID-19 test result **AND** • That you have submitted a self-declaration form	Evidence of a full course of vaccination must be uploaded to the relevant section of the self-declaration form, which can be found here. This must be a PCR test taken no more than 72 hours before travel. Evidence of your negative result must be uploaded to the relevant section of the self-declaration form, which can be found here. You must use a private testing provider. For more details on testing and private providers, please refer to this guide.
Upon arrival you will:	
• Be required to undergo thermal screening by health officials **AND** • Be prepared to show airport health staff your completed self-declaration form, vaccination certificate or negative PCR result **AND** • Be prepared to undergo random COVID-19 testing	Please ensure you have the correct documents with you before you depart.
