

ART KIT INSIGHT

When I travel, I bring along a very compact watercolor kit, which includes:

- **SAKURA Koi watercolor Pocket Field Sketch Box** with 24 colors.
- **FLUID Hot Press 140 lb. "Easy Block" watercolor paper** (I like the 6x6 inch size)
- **Collapsible Silicone Folding Water Cup** (my brother gifted me this one!)
- **2 or 3 permanent ink pens** (*non water soluble*) like Sharpie and Staedtler
- **3 or 4 small brushes** (including rounds and flats)
- **A pencil lead holder and a good eraser** (I prefer kneaded erasers)

To get the best results – especially at this small scale - quality materials are *very important*. A watercolor artist must expect to invest in quality paint, paper and brushes.

This entire kit weights less than a pound and fits neatly into a small purse or bag.

The Travel-Ready Art Kit.
